KAMEHA SUITE FRANKFURT

LIFESTYLE HOSPITALITY & ENTERTAINMENT
MANAGEMENT AG

The Kameha Suite Frankfurt is the perfect example of how we interpret a unique gastronomical experience. The combination of restaurant, lounge, bar and location for meetings, parties and events doesn't thrive from the show around it, but from those who fill it and create its very special atmosphere. Enjoyment, communication, celebration – in an ambience second to none, complemented by the finest cuisine and service.

Managing Director

SUITE MOMENTS

The stately villa, dating back to 1898 and home to the board of Allianz Versicherungs AG until 2003, sets the exclusive scene for the Kameha Suite. The renovation of this listed building included the loving restoration of original elements such as arched ceilings, mosaics, marble columns and the ornate façade.

From the outside an impressive sandstone villa with terrace; inside a range of areas with contemporary style and classic elegance for small or large events with up to 800 guests. The atrium underneath the vast dome provides a historic backdrop, encompassed by staircases with the grandeur of a Hollywood film. Its neoclassical architecture, first class gastronomy, international bar culture and noble ambience are what make the Kameha Suite one of the greatest business and lifestyle locations in Frankfurt. Our staff are looking forward to meeting you and making your time with us unforgettable, with warmth, passion, professionalism and a smile.

NEXT LEVEL RESTAURANT

The NEXT LEVEL RESTAURANT offers unusual, exciting and contemporary compositions for the gourmet palette. The multi-award-winning restaurant displays the highest standards and cordial service, and is also available for exclusive group dinners. The intelligent room concept also includes the neighboring atrium for lunch guests.

SUNSET TERRACE

Situated at the rear of the villa, the SUNSET TERRACE offers a tranquil summer location for relaxed conference breaks, stand-up receptions and open-air lunches and dinners. It also offers the perfect location for exclusive company barbecue events. The terrace can also be provided with a marquee for winter events.

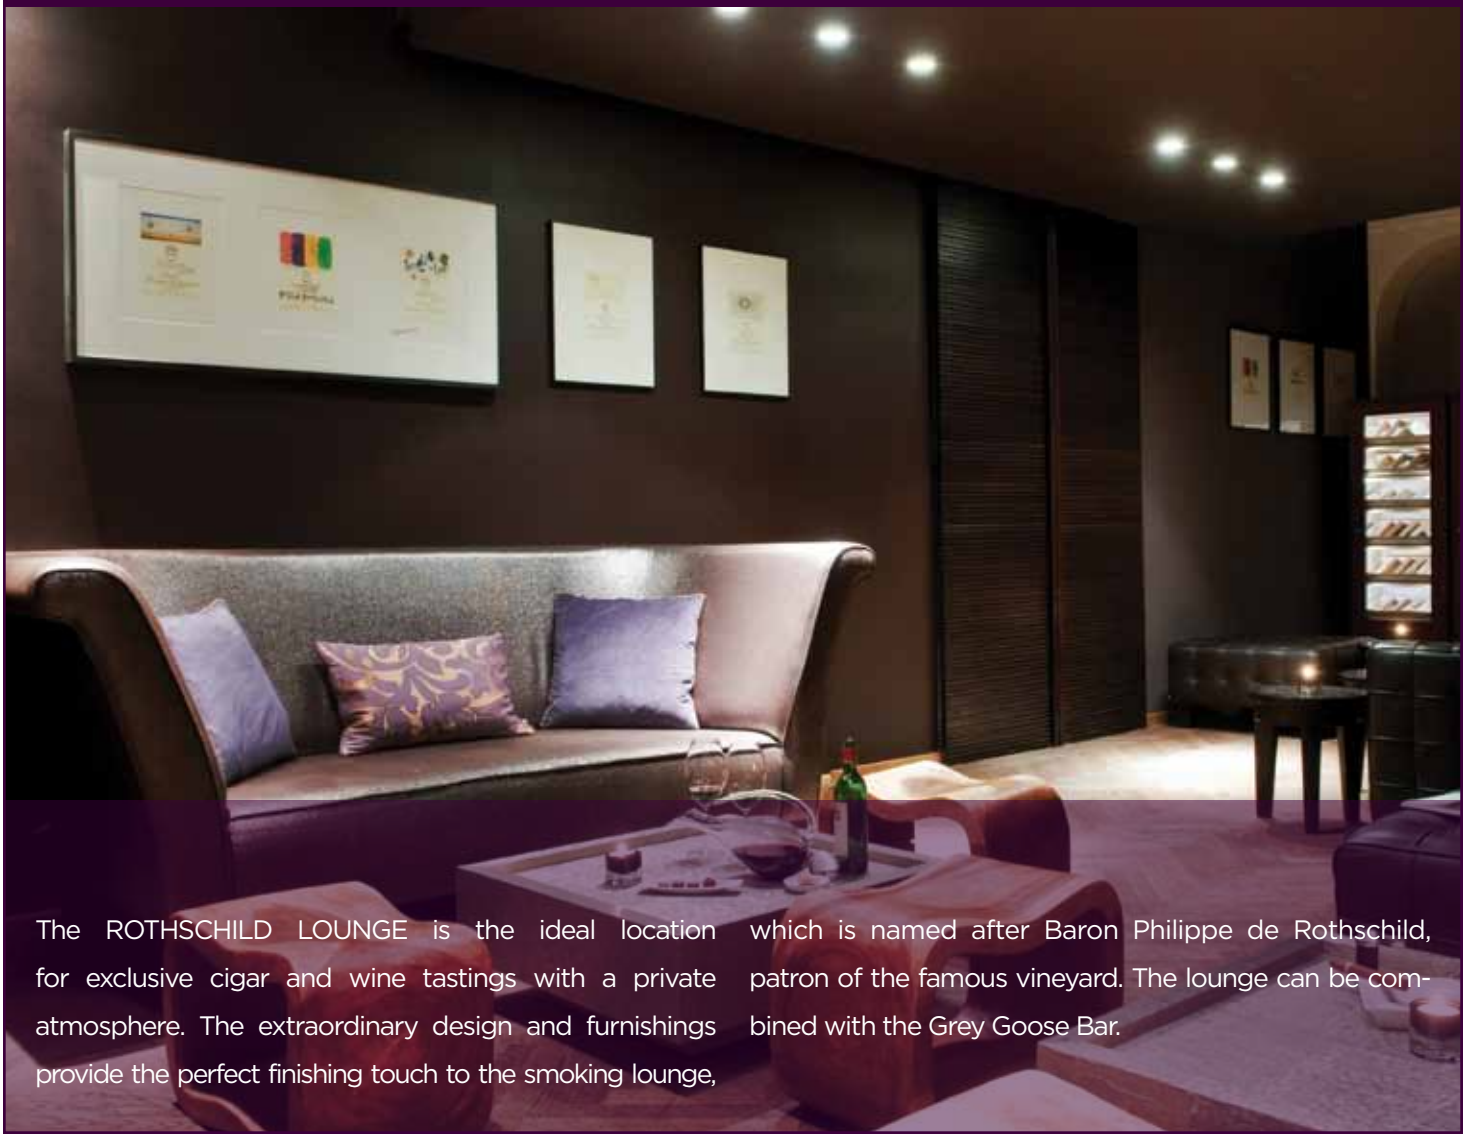
ONYX BAR

The ONYX BAR is a unique mixture of lifestyle stage and bar culture. As well as classic drinks and exciting signature cocktails, the bar boasts a diverse whisky collection, in particular a wonderful collection of single malts. The bar is a proud bearer of the Glenfiddich award, which is given to select cocktail bars in Germany for their exceptional performance.

GREY GOOSE BAR

The bar is named after the French Grey Goose vodka, renowned for its quality. The GREY GOOSE BAR, with views of Frankfurt's Old Opera House, can be exclusively reserved and, in conjunction with the neighboring Onyx Bar and connected smokers lounge, offers space for 200 guests and an ideal location for communicative get-togethers.

ROTHSCHILD LOUNGE



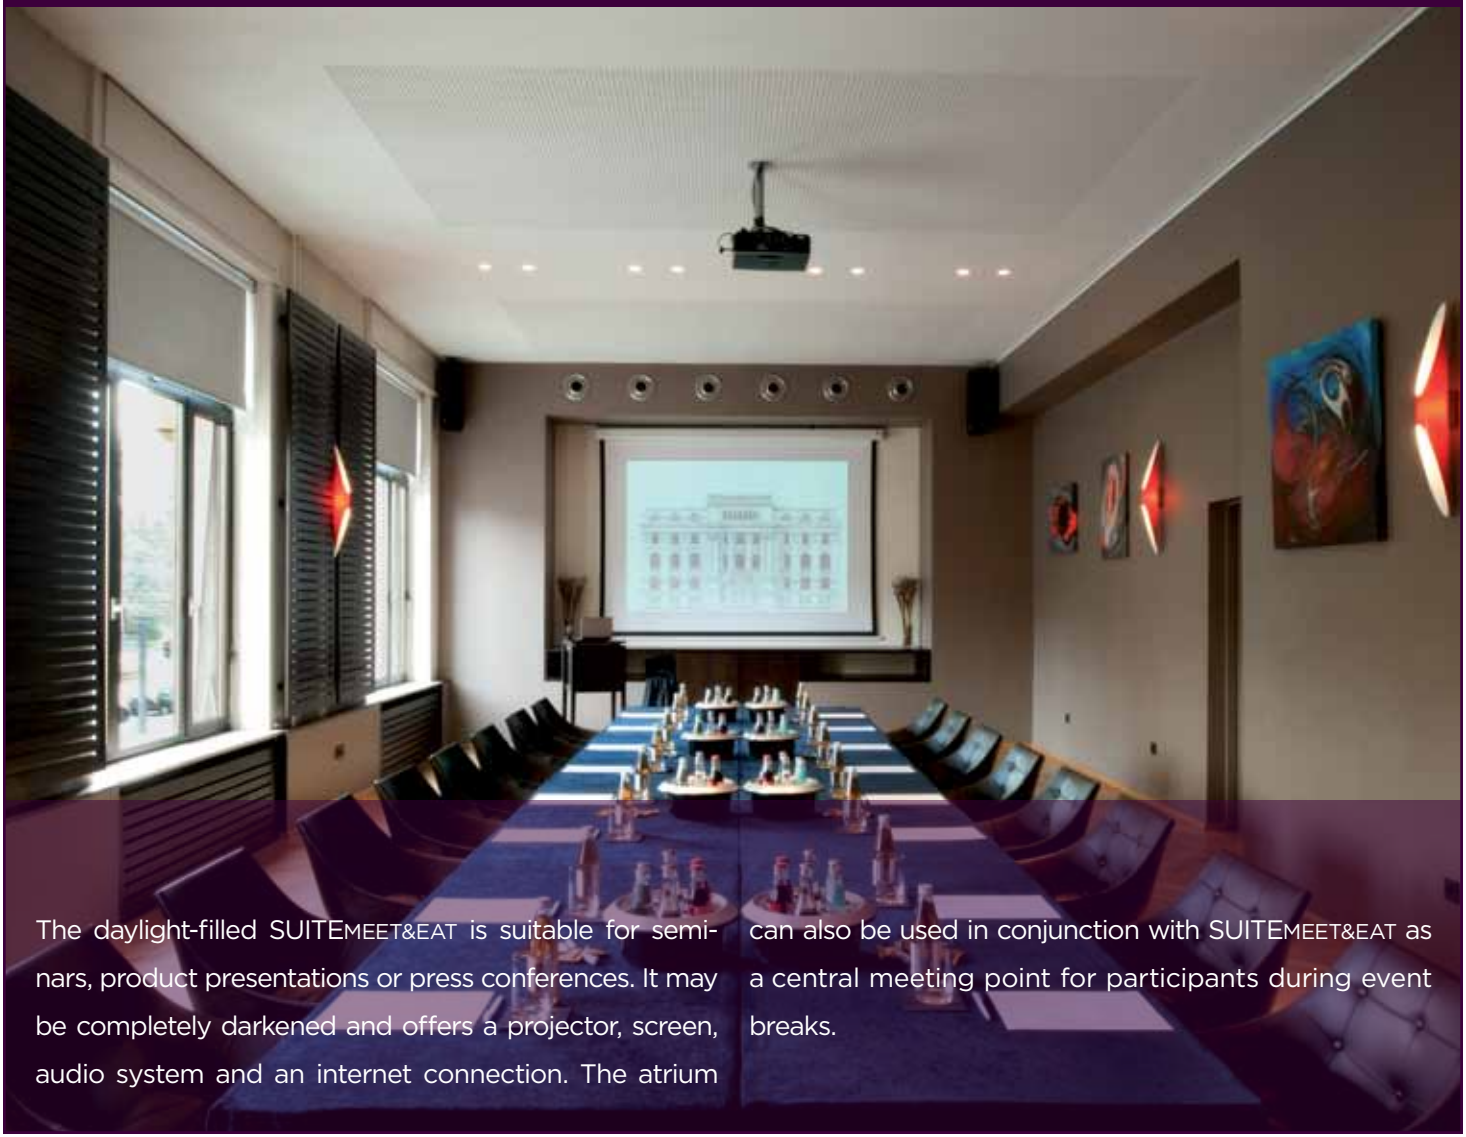
The ROTHSCHILD LOUNGE is the ideal location for exclusive cigar and wine tastings with a private atmosphere. The extraordinary design and furnishings provide the perfect finishing touch to the smoking lounge, which is named after Baron Philippe de Rothschild, patron of the famous vineyard. The lounge can be combined with the Grey Goose Bar.

KAMEHA LOUNGE

& BOARDROOM

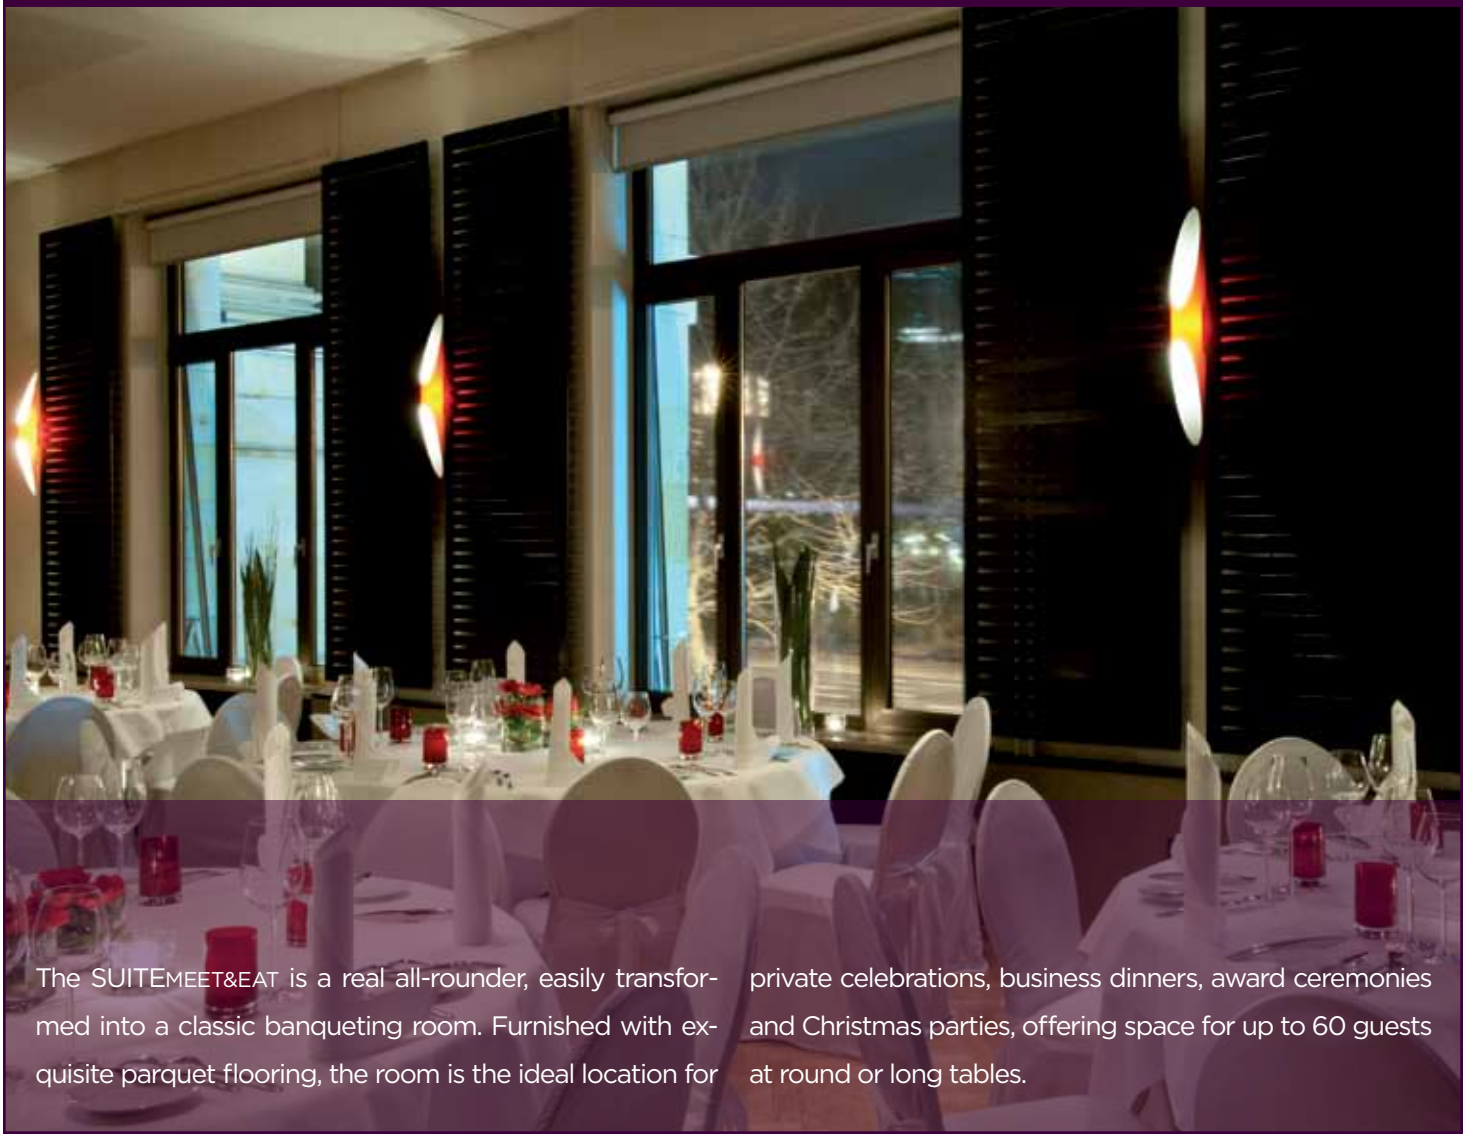
The KAMEHA LOUNGE offers the definitive setting for animated exchanges of experience and relaxed networking. The individual room concept provides the perfect conditions for a confidential and private atmosphere at business dinners or roundtable discussions in the neighboring boardroom.

SUITEMEET&EAT



The daylight-filled SUITEMEET&EAT is suitable for seminars, product presentations or press conferences. It may be completely darkened and offers a projector, screen, audio system and an internet connection. The atrium can also be used in conjunction with SUITEMEET&EAT as a central meeting point for participants during event breaks.

SUITEMEET&EAT



The SUITEMEET&EAT is a real all-rounder, easily transformed into a classic banqueting room. Furnished with exquisite parquet flooring, the room is the ideal location for private celebrations, business dinners, award ceremonies and Christmas parties, offering space for up to 60 guests at round or long tables.
